

## Portfolio Feedback

**Name:**

### assignment 1: portfolio revisions

Revise your portfolio according to the the evaluation and feedback your received.  
Once your revisions are complete, show me your revisions with your evaluation in hand.

### assignment 2: portfolio additions

Make additions to your portfolio.

The number of the additions will vary, but you should be adding:

- new work
- work in areas not / under represented in your portfolio

Get another student to evaluate your work, getting constructive criticism and make changes as necessary.

### assignment 3: portfolio piece improvements

Improve 2 or 3 of your pieces.

Get feedback from another student or 2.

Revise / improve again as necessary
